

# SEATED FUNCTION

At T42 Hobart we have the kitchen, the team, and the venue to provide sensational events for groups of up to 110 people.

We have indoor, outdoor or a combination of both for seated dining and will work with you on table combinations to help bring the team, the family or work group together.

Our venue has semi-private spaces to suit a variety of event types.

We have a fully integrated music system to our main restaurant; and if required we can offer our function space with AV equipment available upon request including 65" framed smart TV for presentations, microphone and stage.

Please speak to our function coordinator about how we can create the perfect space for your special event.

For groups of 16 or more we generally suggest one of our set-menu options below.

However, we are often able to accommodate orders from our Al A Carte menu if required.
